LUNCH AND LEARN PROGRAM

Memoir Writing and Self-Publishing

Self published, award-winning author, Marcelle Soviero, will conduct a Memoir Writing and Self-Publishing workshop at the library.

Ms. Soviero will first discuss the best ways to begin writing your memoir, either as a full-length book or as individual essays. Students will learn how to focus on life experiences, and use the techniques of fiction—setting, character, dialogue—to enrich the storytelling process. Please bring a journal, as there will be a writing exercise.

The second-half of the session will focus on self-publishing. Ms. Soviero self-published print and eBook editions of her book, “An Iridescent Life: Essays on Motherhood and Step motherhood” with much success. The workshop will take you through the self-publishing process and Ms. Soviero will share helpful tips on getting started!
